True water enthusiasts will feel right at home here. In de Maten, you will still find a piece of authentic pond landscape with beautiful historic ponds... This is a short route through the deciduous woodland, past the cemetery of the priests.

After prolonged wet periods, the path through the sheep meadow is often underwater. We recommend choosing a different starting point/route in the hiking area De Maten during wet periods.

1.87 km

Distance

28 min

Average time

Practical info

Public transport

- Sturdy shoes or boots recommended after a wet period

Start points

De Maten - starting point Kneippstraat
Kneippstraat 190-204 , 3600 Genk
