The hiking area Hoksent-Molhem is located near Nationaal Park Bosland. The red route is for experienced hikers. Along the way, you will get to know the drier part of the hiking area, with its typical meadows and wooded edges. Along the route, you will come across burial mounds and longhouse farmsteads.

This is a stream valley, after rain many paths are muddy. Sturdy footwear, boots, and an adventurous attitude are recommended. Part of the red route is underwater during prolonged wet periods. You can shorten the route on-site and follow the local signage 'dry feet alternative' along the public road.
