Hike along heathland, abandoned fields, and through a former gravel and sand quarry where nature has reclaimed its territory.

The blue and green hikes are not accessible from October 18, 2024 to December 31, 2025. The Agency for Nature and Forestry is starting the largest Blue Deal project in Flanders at the Kikbeek source in Maasmechelen. The goal is to restore the ecosystem of the original Kikbeekvallei. As a result, more water will be retained in the area.
