Anyone who thinks of the Maas village Aldeneik spontaneously thinks of the many legends about the holy Harlindis and Relindis. Or of the delicious wine from Wijndomein Aldeneyck, which has won international awards multiple times. But Aldeneik is more. This hiking area is also a popular spot for water recreation enthusiasts, known both nationally and internationally. The blue route takes you past the harbor, a beach, and several Maas lakes... Here it almost feels like you are already on vacation.
